

How can NHSU support WBL?

- Do not try to 'fix' what is working well.
- More regional events such as today.
- Beacon sites.
- NHSU to analyse what is currently out there.
- Information on website.
- Accessible learning Co-ordinators.
- Assist with turning work based experiences into WBL.
- Fund programmes to turn experiences into WBL programmes.
- Influence the accreditation of WBL by HEI's.
- Continuous communication and listening.
- Allow academic foundation so that HEI's can embrace WBL.
